

Kanopy

Stream classic cinema, indie films and top documentaries on your phone or tablet.

Stream your favourite films for free, anytime, anywhere.

Using Kanopy on a phone or tablet:

1. Download the Kanopy app for your iOS or Android device.
2. Open the app and select **Sign Up**.
3. Enter your first and last name, email address, and a password. If you prefer, you can sign up using a Facebook or Google Account.
4. If you used the email account method, Kanopy will send you a verification message. Open the message and click on **Verify My Email**.
5. Search for "Stratford" and select **Stratford Public Library - Ontario**. Enter your 14-digit library card number as your Patron ID and pin (usually the last 4 digits of your phone number). Select **Verify**.
6. Read the information page and click **Start Watching**.
7. To browse films, tap on the **Menu**  or the **Search** icon. 
8. To find out more information on a movie, click on the cover. This will provide a synopsis, comments, and related videos.
9. To start streaming right away, click on the **Play** button or add it to your **Watchlist** for viewing later.
10. Pop some popcorn and enjoy!

If you need assistance or have questions about using Kanopy, contact the library at askspl@pcin.on.ca or 519-271-0220. You can also browse the Kanopy User Guide at help.kanopystreaming.com

FAQ

Is an internet connection required?

Yes, using cellular data is not recommended as it uses up data quickly.

How many titles can I stream?

You can stream 6 titles per month.

How long do I have to watch?

3 days, but you can watch as many times as you want during that time.

Do I have to return a movie when I'm finished?

No, titles will expire after 3 days.

Are there age restrictions?

Some film content is for adult users; these films require acknowledgement that the user meets the age requirement.

Is there content for children?

Kanopy offers a streaming site just for kids. Visit: stratford.kanopy.com/kids

Does Kanopy work on my TV?

Yes, Kanopy will work with a Roku Device, Apple TV, Chromecast, or by connecting your TV via HDMI
