Using Kanopy in a web browser:

Streaming movies on a web browser requires an internet connection. Titles cannot be downloaded.

1. Visit: **www.stratford.kanopy.com**
2. Click on **Sign Up** to make a new account.
3. Enter your first and last name, email address, and a password. If you prefer, you can sign up using a Facebook or Google Account.
4. If you used the email account method, Kanopy will send you a verification message. Open the message and click on **Verify My Email**.
5. A new window will appear. Click on **Add Library Card**.
6. Enter your 14 digit library card number and pin (usually the last 4 digits of your phone number). Click **Save**.
7. Read the information page and click **Watch Now**.
8. To find films, click on **Browse** to view various categories or click on **Search** to find specific movies.
9. To find out more information on a movie, click on the cover. This will provide a synopsis, comments, and related videos.
10. To start streaming right away, click on the **Play** button or add it to **My List** for viewing later.
11. Pop some popcorn and enjoy!
