TEEN EMPLOYMENT DROP-INS @ STRATFORD PUBLIC LIBRARY

Stratford Public Library has partnered with Conestoga College Career Centre to provide local youth with expert assistance in finding the perfect summer or part-time job. Alan Roper, Career & Work Coach and Employee Liaison for Conestoga, will be available to help teens discover what tools to use when looking for positions and he will provide assistance in updating resumes and crafting cover letters to help land that interview.

Sally Hengeveld, Teen and Children Librarian at the Stratford Public Library says: "Finding a summer job can be difficult. We want to help teens in Stratford by offering them access to an expert in the field and hopefully this will provide them with the help they need to get a rewarding summer job."

This drop-in program takes place in the Teen Lounge and runs from 3-4pm on the last Monday of the month, February to May.
