NOTES

- Book club titles are packaged in a tote bag and must be picked up and returned as one unit. **Returns will not be checked in unless all titles are in the kit when returned.**
- Requests need to be submitted using this form 3 months in advance of the desired **pick-up** date.
- Current titles published within the last **12 months** will NOT be available.
- The library's book club service is here to assist you by providing extra copies of your selected titles, to reduce your need to purchase copies. However, we cannot guarantee that multiple copies of titles will always be available. We ask for an alternate title so that it may be requested if the original title requested is not available.
